

## Notice of Collaboration

Nexel Partners Law Firm will start a business collaboration with the independent Indonesian law firm NUSA ADVOCATES from July 1, 2025, further expanding the working fields to support our clients.

We provide support in Indonesia in the areas of: (1) Corporate (various contracts, dispute resolution & litigation, M&A, finance, various compliance), (2) Intellectual Property (patent, trademark, copyright application procedures and licensing business, etc.), and (3) Employment-related (labor, labor disputes, white collar crime, etc.) based on a cooperative working system with NUSA.

Additionally, we resolve legal issues related to Indonesian clients expanding into Japan or handling matters for their branches or subsidiaries in Japan.

Through this partnership, we strive to offer high-quality and efficient legal services in the business exchanges anticipated to grow further between Indonesia and Japan in the future.
